

Roberts CPR Schools - Career Training Programs

Start Your New Career - Fast, Affordable, and Flexible!

Roberts CPR Schools offers professional training to prepare you for a career in Esthetics, Massage Therapy, and Physical Therapy Aide. Our hybrid courses combine online learning with in-person training where needed. We offer affordable payment plans and financing options to make education accessible to everyone.

Esthetician Certification (600 Hours)

Program Overview:

Our Esthetician program provides hands-on training in skincare, beauty treatments, and client care. This course covers everything from facials and microdermabrasion to waxing and professional makeup application. Students will also learn skin analysis, sanitation practices, and business skills needed for success in the beauty industry.

Career Outlook:

Graduates can work in spas, dermatology clinics, beauty salons, or even start their own esthetics business. Average salary range: \$49,712 - \$53,310 per year.

Tuition: \$7,500

Payment Plans & Financing Available

FREE CPR INCLUDED for 2 Years

Become a Skincare Professional - Enroll Today!

Massage Therapy Certification

Program Overview:

This program provides in-depth training in Swedish, deep tissue, sports, and therapeutic massage techniques. Students will learn anatomy, physiology, client communication, and business principles needed to succeed in the industry. The curriculum also prepares students for the licensing exam required to practice as a massage therapist.

Career Outlook:

Massage therapists are in high demand in spas, wellness centers, chiropractic offices, and private practices. Average salary range: \$75,067 - \$78,416 per year.

NJ Tuition: \$7,500 | NY Tuition: \$10,500

Payment Plans & Financing Available

FREE CPR INCLUDED for 2 Years

Train for a Hands-On Career - Limited Spots Available!

Physical Therapy Aide Certification

Program Overview:

This course prepares students to assist licensed physical therapists in rehabilitation centers, hospitals, and private clinics. Students learn patient positioning, exercise techniques, medical terminology, and administrative tasks to support physical therapy practices.

Career Outlook:

Physical therapy aides play a crucial role in healthcare facilities, helping patients regain mobility and strength. Average salary range: \$34,736 - \$39,520 per year.

Tuition: \$3,500

Payment Plans & Financing Available

FREE CPR INCLUDED for 2 Years
